SULFATION PHASE-2 LIVER DETOX

Environmental pollutants are in our food, air, water, cars, homes, clothing, cooking utensils, and hair/skin products. These toxins accumulate in our body, causing **Chronic Toxin Overload** that may result in disease, illness, and death. Our population's health and life span are falling. Without Sulfate (SO₄) in our diets, our bodies cannot purge dangerous and deadly oil based toxins. Lithia Spring Water contains 222mg per liter of Sulfate that activates Sulfation Phase-2 detox. Twenty-four hours a day, seven days a week your body is made to detox harmful toxins when you have Sulphate in your diet.

A natural healthy state of sulfation phase-2 detoxification
